Agenda

MSCS SAC Checklist

Discussion:

SAC Website:

Sarah posted the 15-16 school year calendar and will be posting minutes and agendas

Annual Climate Survey:

Nate Searing shared draft survey questions. Need to create SurveyMonkey account. Need to add a Communication/Community category. Have you participated in sponsored events? What would you like to be involved with? Are you a parent/grandparent? Nate will post it on SurveyMonkey and wants feedback by EOD on Wednesday. Deadline for survey is 12th. Should go to info@mountainsongschool.com. The SAC can meet some during the summer. Doodle poll for SAC availability.

Retention Policy:

Sarah is waiting on response from CSI about retention policies. We have to consider retention because of READ Act.

Angelita will talk to reading specialist about summer programs.

Board response:

CSI checklist/notices of concerns – being addressed by Angelita and staff, but Board will need to approve policies listed in CSI letter.

SAC is advisory body, but Board needs to give direction to SAC.

CSI Guidance

Recap:

Climate survey plan articulated

Board-SAC communication plan discussed

Compliance issues addressed
