

January 21, 2021

Dear Mountain Song Families,

We are delighted to be welcoming grades K-4 back in-person next Monday, January 25. We are also developing plans to bring grades 5-8 soon, likely in later February.

By now your K-4 teachers will have asked you your choice about either having your student(s) in-person or continuing in full remote-learning. You may change your decision in the first week through the end of January. If you would like to switch after that, please contact the Executive Leadership Team, as it may impact staffing and we can work together for the best solution. Innovation Learning will be available on Fridays for those families who need the program.

Below are details about the upcoming Return to School plan for K-4.

### Health Pre-Screening

Please fill out the Online Health Pre-Screening form **before 7:30 a.m.** on the days your child will be coming to school. This form is the best option for a quick drop off. (This form is not an attendance form.)

- Each morning between 6:00 and 7:30 a.m., parents or guardians must send in health pre-screen information for each student at this link: <https://tinyurl.com/mscshealth>.
- Parents or guardians will be sent this link each morning by automated email.

- Children without pre-screening by 7:30 a.m. must have a parent or guardian accompany them to the school entry, and they will be screened by a staff member.
- Parents must wait with children not pre-screened until they get a green pass from a staff screener.

### **Other Safety Measures at School**

- **Face-coverings:** All students, staff, and visitors are required to wear masks that fully cover both the mouth and nose while indoors.
- **Frequent handwashing:** Extra handwashing stations have been set up around the school, and teachers will instruct students in frequent handwashing.
- **Maintaining cohorts:** Classes will remain within their own class cohorts and not mix with other cohorts.
- **Enhanced cleaning:** Our custodial staff as well as teachers will provide frequent surface cleaning and sanitizing.
- **Parents and visitors:** Allowed into the building by appointment only.

Please see Mountain Song's [Return to School webpage](#) for more information and continued updates.

Thank you for your support,
